

... a man peeps out of the window,  
and sheds a peculiar light upon a terminal bus stop.  
... the others start up a story about a door to be opened.

Through the window of a goggle-box,  
they all get their eye in.  
Reflecting themselves visibly on 'our lighthouse',  
spotted by the man.

... a boat shows away estimating two drops on the pane of a minaret.
